

Free Digital Media Training For Displaced Workers*

Final Cut Pro 6 – Level 1 Basic Training

Professional Video Editing

6/12 & 6/15-19, 2009

9:00 AM to 4:00 PM

36 hours total time

FREE OF CHARGE (includes book)

Course Description

This 36-hour hands-on course introduces students to the primary feature set and basic interface of Final Cut Pro. In this course you learn to perform basic editing functions while familiarizing yourself with the user interface. This class is designed for anyone looking to edit professional quality video. Understanding of the Macintosh operating system and basic computer navigation is desired. This is an official class in the Apple Pro Training Series, and the Apple Certification Exam can be taken after the training.

Photoshop CS4 Basic Training

Digital Image Manipulation

6/22-26, 2009

9:00 AM to 4:00 PM

30 hours total time

FREE OF CHARGE (includes book)

Course Description

Adobe Photoshop is the ultimate tool for bringing out the best in your digital images and transforming them into anything you can imagine. This 30-hour hands-on course will teach you the basic functions of the software and familiarize you with the new features of CS4. This class is designed for the professional looking to manipulate digital images. Basic computer navigation is desired. The training can lead to certification in Photoshop.

* **Displaced workers are those who are out of work due to layoffs, shutdowns or other industry-related changes and who are actively seeking employment or part-time workers who are not fully employed due to industry-related changes.**

Each student may take only one course. Eligibility requirements apply.
