

You are invited to a **Behind the Scenes Tour** of Full Sail University

People from around the world come to Full Sail to pursue their educational goals, and they share one thing in common – a passion for creative careers in the entertainment and media industry.

Full Sail's mission is to provide students with an innovative style of education, delivered by a staff of dedicated individuals, that addresses the career opportunities available in an ever-growing, constantly evolving industry. We do this by developing unique curricula that combine elements of creativity, art, business and life skills, technical prowess, and academic achievement. Our education is delivered via immersive teaching methods, both in Full Sail's real world production studios and classrooms, as well as through our online teaching environment.

We invite you to experience a campus dedicated to this mission and look forward to meeting you.
