

GET CONNECTED TO WCF- PAID INTERNS

with **WORKFORCE CENTRAL FLORIDA'S**
SUMMER JOB CONNECTION

You write the job descriptions. We make the connections! We make the payroll! We encourage you to apply! By participating in the program, you'll be paired up with summer employees at **NO COST TO YOU!**

Prerequisites:

- Non profit or government agency
- For profit employers with job opportunities in healthcare, green or emerging jobs, science, technology, engineering or math jobs.
- Central Florida employers must be located in Orange, Osceola, Seminole, Lake or Sumter counties

It's a win, win situation—WCF will make the employee/employer connections and even write the payroll checks. Each of the 1200 **WCF-Paid Interns** (ages 16 – 24) selected will make \$8/hour, working up to 35 hours a week for six weeks*. That means they could earn up to \$1,680 this summer at **NO COST TO YOU**. Plus, this income will help stimulate Central Florida's economy.

Together, we can make connections that work—see important dates below.
