**WUCF TV** is committed to assisting the communities we serve in encouraging more children and young adults to pursue science, technology, engineering and math careers. In addition to on-air programming, PBS offers a wide variety of STEM initiatives online.

## **The PBS Teachers STEM Education Resource Center**

has a database of nearly

**4,000 STEM resources  
for preK-12.**

## **Your support can help us develop two new STEM-based programs**

- Spotighting professionals in STEM field and why they chose that path
- Focusing on Technology development

**86%** of parents

trust **PBS Kids** to provide high quality early science and math content and information.

For information on how your business can support WUCF TV's effort to offer and grow STEM programming, please contact
