#### **Benefiting:**

Camaraderie Foundation's mission to provide healing for invisible wounds of war through counseling, emotional and spiritual support for all branches of Post 9/11 Military Service Members, Veterans and their families. Over 2.7 million soldiers have been deployed since 9/11 and it is estimated that 1 in 5 of our returning Veterans will suffer from post-traumatic stress, traumatic brain injury, depression, marital issues, substance abuse and other issues. Camaraderie Foundation works to heal these invisible wounds through support programs such as our Counseling Scholarships, in which we pay 100% of the cost for 12 counseling sessions. Other programs include Family Fun Days, Peer to Peer Support and an annual Mentor Leadership Program.
