

The Expo, Career Fair and Scientists' Corner is Friday, March 27 from 9:00 A.M. until 4:00 P.M. at Disney's Coronado Springs Resort

We are inviting **scientists and professionals** in healthcare, medical research, business, and government of various ethnicities and ages to our **Scientists' Corner**. As a volunteer for as briefly as **one hour**, you can inspire the next generation of professionals in healthcare.

- **Email/Fax** this form to Kristina Ivanova Roberts at kroberts@flhosa.org, (386) 518-6875.
- **Bring** a cool "**prompt**" from your profession (**e.g. lab equipment**) to engage our members.

We are expecting **3,200** attendees to our state conference.

Students will receive a "passport", with which they will visit your booth to build their interviewing skills and learn about the various professions. Many will receive a small prize for completing this passport. Sample questions are:

- What are some of the soft skills employers need from candidates?
- Can you share how you got to where you are in your career now?
- How is your science going to solve some pressing problems of our times; what questions are you raising?

The Orlando Science Center will offer an interactive workshop on March 27th:

~ High school students will experiment with blood typing techniques and match ink samples with chromatography at the **OSCSI workshop**.

Scientists' Corner Registration Form

Please email or fax to kroberts@flhosa.org; (386) 518-6875

Name _____

Occupation _____

Organization _____

Email _____

Phone _____

Available to volunteer at _____

_____ (specific time)

I will bring the following "prompt" item: _____

The Expo and Scientists' Corner will take place at Disney's Coronado Springs Resort located at 1000 West Buena Vista Drive, Lake Buena Vista, FL 32830, Tel: (407) 939-1000.
