

IMSH

Society for Simulation in Healthcare

JANUARY 28-FEBRUARY 1, 2017 | ORLANDO, FL USA

PATIENTS: THE HEART OF SIMULATION

CELEBRATE THE POWER AND PURPOSE OF HEALTHCARE SIMULATION

It's More than a Conference, It's an Experience

The International Meeting on Simulation in Healthcare (IMSH) is about **collaboration and caring**; shared **purpose and passion**; common **values and vision**; inspirational **teaching and translation**; the relationship between **patients and professionals**; and, most importantly, a commitment to **safety and simulation**.

Join us and:

- Connect with 2,500 global leaders who are shaping the future of healthcare simulation
- Customize your learning by choosing from 250 sessions
- Learn innovative ways simulation is being used to improve patient safety
- Equip yourself with knowledge you can implement at your institution
- Explore the latest products and services in the Exhibit Hall

Take Your Certification Exam at IMSH!

Preparing for your CHSE or CHSOS exam? Then plan to take it at IMSH 2017. We're offering several testing times throughout the conference; visit the website for details.

Important note: Please complete your CHSE or CHSOS application online and follow the instructions you receive via email to sign-up for the exam.

Register by Nov. 3 and save up to \$170!

www.ssih.org/IMSH

Plenary sessions ignite new ways of thinking and inspire you to provide even safer patient care.

Stories From the Heart

This session will feature stories of real-life inspiring events that showcase the power of healthcare simulation in saving patient lives.

Shawn Achor

Lou Oberndorf Lecture In Innovation on Healthcare Simulation

New York Times bestselling author of *The Happiness Advantage* and *Before Happiness*

Regina Holliday

Michael S. Gordon Center Lecture on Medical Education

Maryland-based patient advocate and artist

Laura Mansfield

Laura has spent the last 20+ years studying the art of storytelling, leadership and the human experience

Jump-start your learning at IMSH Preconference and Immersive Courses, January 28-29

Get ready for deep-dive explorations in our interactive, hands-on sessions. You'll sharpen your skills, challenge your thinking and walk away with new ideas you can use every day!

Sample Preconference Courses include:

- *3D Printing and Rapid Prototyping*
- *Organizational Case Simulations to Enhance Patient Safety*
- *Bring People Together: Improve System Integration through Patient Safety Programs*
- *Sticky Situations: Tools for Difficult Debriefings*

Sample Immersive Courses include:

- *Code Silver: Active Shooter and Multi-casualty Events*
- *PTSD: Challenges in Mental Health Simulation*
- *Patient and Family Centered Care*
- *SimCoach: Mobile Program for Birthing Hospitals*

Full course descriptions are available at www.ssih.org/IMSH

CHSE & CHSOS Readiness Review Courses January 28, 8:00 AM – 5:00 PM

Gain the confidence and knowledge you need to develop your personal action plan for study by attending the CHSE or CHSOS Readiness Review Course. These courses provide essential information that will help you pursue certification.

Join us and:

- *Learn the components of the certification process*
- *Identify your exam content strengths and weakness*
- *Develop your personal action plan*
