

INCOSE Space Coast & ITEA-CF

Joint Meeting

The International Council of Systems Engineering Space Coast Chapter & International Test & Evaluation Association Central Florida Chapter

Thursday, February 2, 2012, 5:30 PM – 7:00 PM

Meeting Topic:

Android – A Dive In to an Open Source Operating System for the Mobile Device User.

Mr. Gewirtz will talk about mobile security architecture, emerging privacy and security concerns of Android mobile devices and the security and safety considerations for activities such as tethering, using Wi-Fi hotspots, third-party applications, Bluetooth, emailing files, and connectivity.

Presenter: David Gewirtz U.S. Policy Advisor & Computer Scientist

In addition to a traditional onsite meeting, this joint meeting will also be streamed through the Internet from the INCOSE Space Coast meeting site in Melbourne, Florida to the UCF Orlando, Florida Research Park Business Incubator. For those of you who are local to the Orlando or Space Coast areas, you are encouraged to attend the meeting onsite at one of the following locations. You can visit these websites for directions:
