Teach-In
Seminole County Public Schools

Teach-In takes place during American Education Week—an annual national celebration of public education that was first observed in 1921 to inform the public of the accomplishments and needs of public schools and to secure the public's cooperation and support to meet those needs.

Teach-In's theme is **Great Public Schools: A Basic Right and Our Responsibility.** Your commitment to "teach for a day" underscores the critical role communities play in public education. Teach-In started in 1991 and offers parents, business people and community members the opportunity to enhance learning by going into classrooms as school volunteers for an hour—or a day. You play a vital role in the success of this event. Whether you read a book aloud, talk about your career or tell students what it is like to travel in another country, the time you spend with young people makes education better. Thanks to you, **Teach-In** will be a **CLASS ACT!**

Your schedule is:

THE FOUNDATION
for Seminole County Public Schools, Inc.

www.foundationscps.org

The Foundation for Seminole County Public Schools, Inc. was founded to enhance the quality of education in our community by:

- Raising and awarding funds and in-kind donations
- Fostering involvement in the schools by businesses and the community
- Providing recognition and rewards for extraordinary performance

Annually, The Foundation awards more than $100,000 in teacher grants, academic team sponsorships and reading initiatives. The Foundation also sponsors Arts Alive in Seminole!, Teacher of the Year, Back to School Fair, and serves as the lead agency for Take Stock in Children, a statewide initiative providing college scholarships.
